Scholarships will be awarded competitively and the application deadline is February 28. All scholarship applicants must be admitted to the University and a Free Application for Federal Student Aid (FAFSA) must be on file before the scholarship will be authorized. Unless an exemption to the residency requirements is received from the Residential Life Office, all scholarship recipients must live on campus. Academic scholarships must be used on the main campus in Russellville the fall semester following high school graduation. Students who increase their exam score or GPA after submitting their original scholarship application must immediately notify and send supporting documentation to the attention of the Scholarship Coordinator so their scholarship application status can be reevaluated. A traditional-aged high school student who opts to take the GED and scores a minimum of 580 may apply for academic scholar awards. Students who live in contiguous states are considered in-state for tuition purposes. A limited number of out-of-state scholarship awards are made to students who live outside of Arkansas and its contiguous states. Students receiving scholar awards must be U.S. citizens. To remain in compliance with Act 323 of 2009, the University reserves the right to cancel or modify any scholarship funded by the institution at any time.
